Hall rental includes the following: standard layout, basic electrics, standard staffing, regular cleaning and ticket sales service. The General Terms and Conditions apply to all of our services, facilities and supplies. All amounts are exclusive of VAT. Prices can be subject to change.

Hall rental
The rates below apply to the rental of our halls and foyers. The rental of the Main Hall and the Recital Hall comprises a fixed hall rental per 3 hours, calculated from the moment that the doors open for visitors until 15 minutes after the end of the concert. The rental of the foyers is charged per hour.

The rental of the Main Hall and the Recital Hall consists of a fixed and a variable component:
Fixed hall rental: The fixed hall rental is 15% of the net receipts (= gross receipts - VAT - variable hall rental fee - audience drinks provision), subject to a minimum and a maximum amount (see table below). For the Recital Hal this is a fixed fee (not subject to the receipts).
Variable hall rental: The variable hall rental is € 6.05 per visitor, with a minimum of 1,000 visitors in the Main Hall and 250 visitors in the Recital Hall.

Provision for audience drinks
For public concerts, drinks for the audience are included before commencement (40 minutes) and during the interval (25 minutes). The hirer will be charged a hospitality fee of € 7.00 per visitor (incl. VAT) for this.
